

Erratum

Erratum to the doctoral thesis “Residential environment, physical activity and depressive symptoms in adults” by Marjo Seppänen, published in Nordia Geographical Publications:

Seppänen M (2025) Residential environment, physical activity and depressive symptoms in adults. *Nordia Geographical Publications* 54:4. <https://doi.org/10.30671/nordia.162601>

The first version of the doctoral thesis was published on 13th June 2025.

The second version of the doctoral thesis was published on 25th June 2025.

The online publication of the second version of the doctoral thesis includes an updated Figure 8. In the first version of the doctoral thesis, there was a wrong version of the figure including results without one of the covariates in the statistical models. Below is the correct version of Figure 8, published also in Study II (Rautio *et al.* 2024).
